WHAT IS BRIGHT SPARKS?

Bright Sparks is a creative arts program designed to help children learn about themselves and their relationships with others, promoting confidence, resilience and general wellbeing.

HOW DOES IT WORK?

Children have the opportunity to develop creative projects that involve a variety of materials such as; painting, drawing, clay, as well as natural and recycled materials. They also participate in group games and collaborate on large scale artworks, as they learn about teamwork and develop leadership skills. Sessions are facilitated by an Art Therapist and are beneficial for children from Prep to Grade 3.
