

# PARENTS & FRIENDS NEWSLETTER

What a day we had yesterday!

It was the perfect day to wrap up an amazing fundraising effort by everyone and also an incredible year.

The fun was evident in the smiles of students, teachers and parents throughout the day.

I think the highlight of the day was the sliming of teachers, especially Mrs Jeffers after 3 long years of waiting!!

A big thank you to the volunteers who came down to help on the day, it makes all the difference.

This year we have had an amazing amount of money raised with over \$45,000 raised and our Christmas raffle still to come.

Thank you again for a wonderful year.
