Before and After School Student Supervision

Student safety at Montmorency South Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8:45am each morning. Specifically, a staff member will be located on the oval and will supervise surrounding areas from this location. If your child/ren come to school before this time, please ensure that they are directly supervised by you.

After school: School grounds are supervised from 3:30pm until 3:45pm. Specifically, a staff member will be located on the oval and will supervise surrounding areas from this location. If your child/ren are still at school after this time, please ensure that they are directly supervised by you.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Please let the front office know if you are running late for pick-up so that your children can be alerted and can therefore wait safely for you in the front office. Continuous disregard for student safety will be addressed with families as required.

Families are encouraged to contact **TheirCare:** montmorencysouthps@theircare.com.au or 0403 574 580 (during service) for more information about the before and after school care facilities available to our school community. You are also welcome to contact the front office if you would like any further information about our student supervision arrangements.

We thank you in anticipation of your support.
