

PARENTS & FRIENDS NEWSLETTER

2026 is already shaping up to be an exciting year for our
Parents & Friends community!

We're thrilled to announce that our much-loved School Fete will be held on Sunday, March 22nd from 10am to 3pm. It's always a fantastic day filled with fun, connection and community spirit – a wonderful opportunity to meet new families, reconnect with friends, and raise valuable funds for our incredible school.

You may have noticed the bright and colourful pavement markings installed this week. These are a direct result of last year's outstanding fundraising efforts. Thanks to the generosity and support of our school community, we're able to see those funds flowing straight back into projects that benefit our students – and it's so rewarding to see them already being enjoyed.

Keep an eye on your class chats, which should be popping up this week, for more details about the fete and how you can get involved. We can't wait to share more with you!

A big thank you to our Arts Captains for designing our Fete Poster!!!
