

PARENTS & FRIENDS NEWSLETTER

When we first decided in 2025 to run a school fete, we knew there was a risk it might not raise much without grant funding behind us. What we didn't anticipate was just how much it would bring our community together.

After 12 months of planning, organising, and teamwork – led by a small but dedicated team of just five – we created something truly special. The day was filled with laughter, entertainment, and the joy of seeing so many smiling faces. It was wonderful to see both familiar faces and new ones come together, reminding us just how strong and supportive our school community really is.

Thanks to that incredible support, we're proud to share that we raised an approx \$8,000. There are still payments coming through this week.

A special thank you to our sponsor, Jellis Craig and TheirCare, for their generous support.

This achievement wouldn't have been possible without the commitment of our members, the generosity of our volunteers, and everyone who stepped in to help with the countless jobs behind the scenes and on the day.

I would especially like to thank Jess Thwaites, Ailie Connell, Melissa Carson and Candice Martin for their hard work and dedication to ensuring our fete was a success.

Ashlee Sandars, on behalf of the Parents and Friends.
