We have 57 equivalent full-time staff with two principal class. All classes are straight grades and teachers work in teams to plan the programs for the students.

We have a range of specialist programs on offer at Montmorency South. Our French program covers all classes from prep to 6 and the school also runs the highly successful Stephanie Alexander Kitchen Garden (SAKG) program in years 3-6. Many opportunities are provided for students to develop leadership skills, and they can also participate in extra-curricular activities during and outside of school hours. These activities include many different sporting events such as hoop time, interschool sports as well as chess, ICT- game-making, Lego Club, games club, keyboard, guitar and instrumental music programs.

Community involvement in the school is high and is vital to the running of our school. We have a very proactive School Council and Parents and Friends group, who organise and run several fundraising events throughout the school year. Both groups play a pivotal role in furthering the strong sense of community that is a trademark of Montmorency South Primary School.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy.

Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Montmorency South will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied as a consequence of Level 1 or 2 Behaviours include:
